

Travis County Women Lawyers' Foundation

2025 Annual Sponsorship Information

Travis County Women Lawyers Foundation is a 501(c)(3) charitable organization whose purpose is to support, promote, and encourage activities for the furtherance of justice and equal opportunity for women, families, and children. Every year, we raise thousands of dollars to fund grants to local nonprofits providing legal or related services to women, families, and children. Last year, we gave a record amount of \$90,000 in grants and this year our goal is to give \$100,000. Please help us to achieve our goal.

WHY SPONSOR?

- Demonstrate your firm's commitment to justice by aligning with TCWLF
- Contribute to the growth and impact of the Foundations grant-giving activities
- Deepen your engagement with one of the largest attorney organizations in Central, Texas
- Enhance your firm's value in the community through charitable giving

Becoming a sponsor is the most impactful way to demonstrate your commitment to the TCWLF Mission -- to "support, promote, and encourage activities for the furtherance of justice and equal opportunity for women, families, and children."

Grants & Awards Luncheon

This event is our primary fundraising event, and the money we raise goes directly to funding grants. Promotional materials are distributed to ~1,500 attorneys in Travis County and the event attracts 400+ attendees.

This year's luncheon is Friday, May 2, 2025 at the Fairmont.

The Foundation awards grants of \$10,000 to \$50,000

Grant Funding

If you are interested in funding a grant in its entirety, please contact TCWLF Sponsorship Chair Caroline Hall directly to discuss larger donations, recognition, and other details.
